We take pride in our extensive experience in the field of multimedia and information technology, where the founding partners have over 15 years of experience in this field. In "Creative Zone," we use the latest technologies and tools to meet our clients' needs and achieve their marketing goals.

At "Creative Zone," we believe that quality is the key to success, and therefore, we strive to provide high-quality services to our clients.

# Mission

Our mission is to provide a platform for creatives to connect, learn, and grow. We want to be a place where writers, artists, musicians, and other creatives can find inspiration, share their work, get feedback, and collaborate with others to create something amazing. We also want to help businesses and individuals create high-quality and engaging content that will help them connect with their audience and achieve their goals.

# Vision

We believe that creativity is essential to human flourishing, and we want to help people tap into their creativity and unlock their full potential. Whether you're a beginner or an experienced creative, we're here to support you on your journey and help you bring your ideas to life.

# Design

At "Creative Zone," we believe in the power of graphic design in showcasing the brand identity and attracting the audience's attention. Therefore, we offer creative and unique logo design services that reflect our clients' vision and values in a distinctive and attractive way.

In addition to logo design, we provide creative and effective advertising design services that attract attention and clearly convey the brand message. At "Creative Zone," we take a creative approach to advertising design, combining inspiration and advanced technology to create amazing ads that impress and achieve desired goals.

We have a team of creative and professional designers who use the latest tools and technologies in the field of graphic design to meet our clients' needs and achieve their marketing goals in the best possible way. So, you can rely on us to design your logo and ads in a creative and effective way.

The logo of **Super Like Cafe** was professionally and creatively designed, reflecting the calm and comfortable atmosphere that characterizes the cafe. The design features cool and soothing colors that complement the youthful and relaxing atmosphere of the cafe, which is targeted towards young people. The design allows visitors to enjoy a comfortable ambiance along with a unique and distinct taste of coffee, creating unforgettable memories to cherish.

The **IT PULSE** is simple and elegant, featuring a white heartbeat with thin lines on a black background. It reflects trust, professionalism, and purity, while the heartbeat represents vitality and rapid technological development. The logo embodies the company's mission to provide innovative and reliable technological solutions to its customers.

**MINAW**  
IMPORT & EXPORT AUTO SPARE PARTS

A logo has been designed for **MINAW IMPORT & EXPORT AUTO SPARE PARTS**, a company that imports and exports auto spare parts to and from different countries in a distinctive and attractive manner.

The logo features the company's initials in a circular shape, reflecting the modern and dynamic direction of the company in the world of commerce. The design also reflects the professionalism and high quality of the company's services in importing and exporting auto spare parts, making it stand out among competitors and attracting attention.

A logo was designed for the Humanitarian Award of **Tree of Life Charity Society**, reflecting the role of donors and philanthropists in society.

The colors used in the logo were inspired by the society's own logo, consisting of different shades of green to reflect its charitable spirit.

The design is characterized by simplicity and clarity, with a hand holding a leaf representing the giving and philanthropic individual who contributes to achieving goodness and humanity in society.
